COVENANT CONNECTION

A PUBLICATION OF COVENANT PRESBYTERIAN CHURCH

From the Pastor's Desk

As a Matthew 25 congregation, one of our priorities is nurturing congregational vitality. By some measures we are indeed a vital congregation:

- ◆ We had almost 500 people worship with us in person on Christmas Eve, numbers not seen since before the pandemic!
- ◆ Giving has been robust with a budget for 2026 of \$710,000 including \$99,000 for Outreach programs.
- ◆ Adult Sunday School attendance is growing, and our children and youth programs are strong and getting stronger.
- ◆ New Outreach initiatives are providing more opportunities for service.
- ◆ New members are joining, 11 last year, with 4 more prepared to join in the coming weeks.
- ◆ We had fresh voices contribute to our Advent devotional with meaningful reflections.

Those are all signs of a healthy congregation. Yet, in other ways, we are less vital than we might be:

- ◆ Too few people are engaged in any activity outside of Sunday worship.
- ◆ Worship attendance continues to trail pre-COVID weeks.
- ◆ While we are welcoming new members, the pace of growth is slower than before the pandemic.
- ◆ There are increasing segments of our neighborhood and community who are unchurched and with whom we have little contact.

ACT III

FAITH FORMATION
FOR THE OLDER ADULT YEARS

Join us each Friday
at 10:30 AM
at Baldwin Park
beginning on
February 6th

Act III is a ministry geared for older adults who are navigating the blessings and challenges that come with age. In this group, we study scriptures through the lens of aging and explore our vocation and discipleship in this particular stage of life.

FROM THE PASTOR'S DESK (cont'd)

No numbers can accurately reflect our spiritual vitality as a congregation, so it seems fair to ask:

- ◆ How vital is your spiritual life at the dawn of this new year?
- ◆ Are you growing in faith and being challenged to find new ways of being faithful, or are you comfortable with where you are with little desire to do more?
- ◆ Have you invited anyone to participate in a ministry of Covenant in the past 6 months, whether it be worship or an outreach project or a Christian formation opportunity?
- ◆ Are you helping to make the church more vital in any way?
- ◆ Is the church meeting your needs and providing opportunities for you to share your gifts?

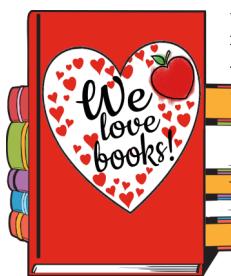

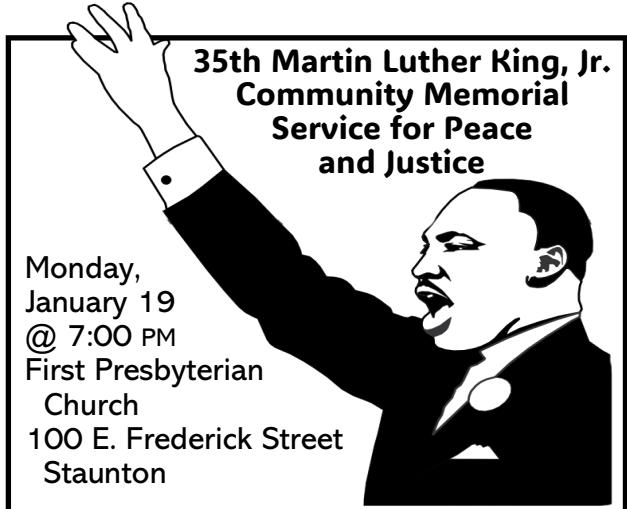

At its retreat last weekend, the Session discussed the challenges posed by John Cleghorn in his book, *Building Belonging*: "Can we make church home again in all the ways people hunger for it - not places where consumers receive services, but where a diverse community of faithful stakeholders (I would say, 'disciples') have a passionate coownership of a great undertaking?" What might it take for us as a congregation to live into that vision? What might it take for you to be part of making that vision a reality?

SESSION HIGHLIGHTS

At its annual retreat on January 10, the Session took the following actions:

- ◆ Approved letters of transfer for Earl and Jesse Reeves to Moscow Covenant Brethren Church at their request
- ◆ Approved \$1,200 to Rise Up with Hunger
- ◆ Approved a CF retreat for September
- ◆ Approved moving ahead with the revised bulletin with a new logo
- ◆ Adopted four priorities for 2026

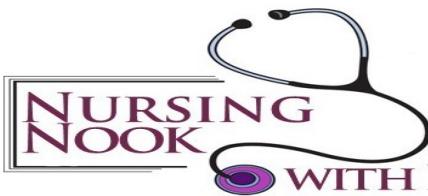

Do you love books? Do you love helping kids? Help us flood the Community Childcare Center with love and literacy for Valentine's Day. Watch for the heart-filled bulletin board in the Breezeway with the books to be purchased. The book collection will run January 18 to February 6.

Despite the mind-numbing cacophony of conflicting, confusing information published last year about health and medicine, there was good news out there. It took some sleuthing, but here are a few of my favorites in the "good news" category:

- ◆ **VIZZ eyedrops for presbyopia** (the age-related farsightedness that affects an estimated 128 million Americans) received FDA approval in July and are now available by prescription. In clinical trials, these eyedrops improved vision dramatically for up to 10 hours. Ask your ophthalmologist about them.
- ◆ **Neffy nasal spray for children** was OK'd in March. A lower-dose version of the adult Neffy was approved in late 2024. Neffy Jr – available by prescription only -- provides an easier-to-use, less expensive alternative to EpiPen Jr, for emergency treatment of life-threatening allergic reactions.
- ◆ **Shingles vaccination may stave off dementia.** Just last month, results of a British-led study published in *naturemedicine*, indicates that "the recombinant (shingles) vaccine (currently used in the US) is associated with a significantly lower risk of dementia in the 6 years post-vaccination. Although researchers say more studies are needed, they are "cautiously optimistic" with their findings that the vaccine led to a 17 percent increase in (dementia) diagnosis-free time among those receiving the shot.
- ◆ **Coffee (yet again) proves to be "good" for us.** Although research shows that my favorite drink has many benefits, a large-scale study published last winter in *Nature Microbiology* indicates that regular coffee drinkers have more *Lawsonibacter asaccharolyticus*, a gut bacteria shown to improve intestinal health and brain health.

WARM SHELTER MEALS UPDATE

Wow, oh, wow! Our Covenant Family came together to provide food for our neighbors staying at the WARM Shelter, December 24-27. We provided 10 meals for 35-45 people! We shared the work with 2 other organizations who provided a Christmas Day breakfast and a Christmas Day Lunch. With all sorts of fruit and take away breakfast and lunch foods, we added Christmas cookies and had enough for snacks during the day. For the evenings we provided a spaghetti dinner, a ham dinner, and a potluck dinner with lasagna, soup, and chili. We also provided homemade cakes

and more cookies for desserts. Five Covenant members and two other volunteers served the spaghetti dinner. So many of God's people joining together to serve more of God's people! Your kindness and generosity in sharing your blessings is your light shining . . . showing God's light for us and our neighbors.

ONGOING OUTREACH

Help feed our neighbors in need! Donations may be dropped off in the **RED BUCKETS** located in the vestibule just outside the church office or in the Narthex.

PLASTIC BAG COLLECTION MAKES A DIFFERENCE!

THANK YOU, COVENANT! We have kept over **3787 pounds** of plastic out of the landfills. AND we've provided benches to the Boys and Girls Club and Covenant Preschool. **We are now working towards a sixth bench!** Keep up the good work:

- Please make sure your bags are **CLEAN, DRY and FREE OF FOOD RESIDUE**.
- Plastic bags need to be stretchy. Look for a #2 or #4 recycling symbol (polyethylene films).
- You don't need to cut off zip tops or remove paper labels.
- Please no cellophane (as in snack bags) or metallic films (see nextrex.com for details)

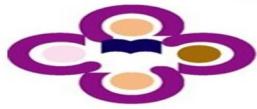

WANT TO HELP? Volunteers are always needed to do the weekly weigh-in and take bags to Food Lion. Sign up at <https://bit.ly/3CzoJTW>

LET'S RESTOCK THE SHELBURNE PANTRY

For January, the 'target item' is a basic one, chosen to help families maintain their homes — dish soap. It will keep their cookware clean, their plates and bowls sparkling, and their utensils shiny after meals, and that will help maintain their health and a clean home environment. As always, items such as snacks, laundry supplies, soup, toothpaste, and all the rest are welcome, and they all go to the Shelburne students and their families who need a bit of help. We have labeled boxes in the narthex and outside the church offices for you to drop off items, which we will then take to the school pantry for distribution.

THANK YOU for your generosity in helping Shelburne students and families through this Outreach project!

November 2025

November brought us the opportunity to train over 100 women, young and old, across northern Nigeria to be trainers in regenerative agriculture. With added learning modules in agroforestry, alternative main crops, and vegetable gardens, they also practiced peer teaching before gaining their certification. We love how our trainer candidates, who were nominated by local Decapolis trainers, spanned the age spectrum. Having elders as trainers increases community impact, as they are culturally respected and entrusted with passing on knowledge to the younger generations. Having young women as trainers helps to mobilize the next generation and increases youth participation in sustainable agriculture.

As I type this, we just received a report of 13 teenage girls who were kidnapped from their farms in Borno State. Insecurity is on the rise in Nigeria, and farmers are often a prime target, as they farm large fields of land in remote areas. While we pray for a lasting security solution, these new trainers are now equipped to teach others this method of farming, which can be implemented on a small portion of land next to their homes, (just 6.25% of a hectare), reducing the risk of being attacked while farming and enabling farmers to still produce enough to feed their families. Please pray for these women as they go back as forces for change in their communities.

“...for the purpose of equipping God's people for the work of serving others, in order to build up the body of Christ.” ~ Ephesians 4:12

A NOTE FROM RAE:

Are you looking for a new year's resolution to help you grow in faith this spring? How about attending a class during the Christian Formation hour? We've got something for everyone!

Adults have two choices this semester. The Follow Me class with Bill and Sam meets in the fellowship hall and explores a variety of topics about discipleship. This semester, they are beginning with a unit on Practicing Joy and will dive into the book of Acts and the life of the early church.

Our second adult class, which focuses on specific topics across the semester, is beginning with a study on Sacred Art and what it teaches us about the church and our faith, led by Seth Ward. During Lent, Rae will lead a class on worship and the art of liturgy, exploring the words and symbols we use and how they help us grow in faith.

Our youth are continuing with their Holy Disruptions curriculum with a unit on holy discernment in the midst of a world of distraction. Then, in Lent, a unit on freedom, where the students will explore both what God frees us FROM and what God frees us FOR in our living as Christian disciples.

Our children are beginning their Epiphany unit, where they will explore the ways that Jesus called people into a relationship with him during his ministry. Jesus chose to live with and for us. How do we understand this and live in ways that are with and for God? During Lent, they will explore six of Jesus's I AM statements and consider what they reveal about who WE ARE as disciples.
